Continuation Sheet (PTO-303)

Continuation of 3. NOTE: The newly added limitations of "said desk sharing application automatically impersonating ..." recited in claim 1 and means for automatically verifying and the means for automatically assigning recited in claim 11 plainly and significantly change the scope of the claims. These changes clearly raise new issues. The examiner now has to consider that the above step of claim 1 are carried out via the desk sharing application since this was never previously recited; as well as the newly recited means of claim 11.
